AGE CONCERN COUNTIES, MANUKAU

Age Concern's mission is to serve the needs of older people throughout New Zealand. Their Manukau branch has 1,700 members and runs a visiting service, a Health Promotion program and assists with transport and technology needs.

Age Concern's latest initiative is to employ an Accredited Visiting Service Fieldworker who can complete odd jobs normally requiring the hiring of a tradesman. Along with changing tap washers, replacing fuses and light bulbs, the fieldworker will also carry out mobility assessments in the home.

The \$22,400 donation will be used to purchase and fit out a new van plus handyman tools to service the needs of the elderly in the region.
