given to Australian
and NZ charities
since 1984

GIRL GUIDE ASSOCIATION NEW ZEALAND, MANAWATU

Over 500 girls from the Manawatu area participate in Guiding activities each week, with a leadership consisting of 124 volunteer leaders.

This group has a strategic goal of supporting diversity and has recently begun discussions with the Refugee Settlement Assistance Project.

Young female refugees newly arrived with their families from Bhutan, Burma and the Congo are being invited to participate in GirlGuiding as a way of integrating more fully into NZ life and relieving their social isolation.

The \$7,900 donation will be used to fund the translation of information, print pamphlets, provide training in cultural issues and purchase new uniforms and help them adapt to their new country.

The Legacy
Lives On!
