

Over A\$15 million
given to Australian
and NZ charities
since 1984

ORANA WILDLIFE TRUST, CHRISTCHURCH

The Orana Wildlife Park aims to create positive attitudes through education and by undertaking conservation and research work in support of endangered species. With over 160,000 visitors each year, the park is a major community asset and is involved in the recovery program for New Zealand's national icon, the Kiwi (flightless bird).

In order to make an even greater contribution, Orana needs additional Kiwi rearing and incubation equipment to raise future offspring from their young breeding pairs.

The \$12,700 donation will be used to purchase new incubation equipment as well as three outdoor, predator-proof rearing units to ensure these Kiwi chicks have the best start in life.

The Legacy
Lives On!
