TAI TOKERAU EMERGENCY HOUSING CHARITABLE TRUST, WHANGAREI

Founded in 2004, the Trust consists of a group of combined churches, local council, the YWYA, Salvation Army and several other community organisations.

The Trust currently provides short-term emergency accommodation at two of their centres for singles, couples or small families at any one time as well as short term household tenancies for 6-8 weeks.

As rental income provides just a portion of the income needed to provide this important service they are dependent on grants to continue.

The \$19,000 donation will be used for much needed refurbishment projects including living quarters and children's communal outdoor areas.

The Legacy
Lives On!
