

Over A\$15 million  
given to Australian  
and NZ charities  
since 1984

## WELLINGTON CITY MISSION, WELLINGTON

Founded over a century ago, Wellington City Mission provides a vast range of services to over 4000 residents each year including seniors, youth, families and others in need.

The Mission's Foodbank project delivers over 370 food parcels each month and provided in excess of 4,240 parcels in 2009 alone. Along with the food parcels assistance is also given to the needy regarding their household budgeting and advice on how to break free from the poverty cycle.

The \$10,600 donation will be used to purchase produce and product that is not already being donated such as baby formula, fresh produce and toiletries for Wellington's needy and disadvantaged.

The Legacy  
Lives On!
